Statement of Account

The balance used to compute the Finance Charge is the actual outstanding balance each day after credits are subtracted and new advances or other charges are added. The FINANCE CHARGE is computed on the daily outstanding balance by applying the daily periodic rate to that balance for the exact number of days such balance remains outstanding. The ANNUAL PERCENTAGE RATE is determined by multiplying the Daily Periodic Rate by the number of periods in a year (365).

^{*}Balance Subject to Interest Rate:

We figure the interest charge on your account by applying the periodic rate to the "daily balance" of your account for each day in the billing cycle. To get the "daily balance" we take the beginning balance of your account each day, add any new advances and fees, and subtract any payments or credits. This gives us the daily balance.

In Case of Errors or Questions About Your Statement

If you think your statement is wrong, or if you need more information about a transaction on your statement, write us (on a separate sheet) at the address shown after the words "SEND INQUIRIES TO" on the first page of this statement as soon as possible. We must hear from you no later than 60 days after we sent you the first statement on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights.

In your letter, give us the following information:

Your name and account number.

TOTAL

- The dollar amount of the suspected error.
- · Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your statement that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.

Special Rule for Credit Card Purchases

If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than \$50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or service, all purchases are covered regardless of amount or location of purchase.)

B. THE FOLLOWING PROCEDURE IS APPLICABLE ONLY TO YOUR ELECTRONIC FUNDS TRANSFERS. In case of Errors or Questions About Your Electronic Transfers.

Telephone or write us at the address or phone number shown on the first page under the heading "SEND INQUIRIES TO" as soon as you can if you think your statement is wrong or if you need more information about a transfer listed on the statement. We must hear from you no later than 60 days after we send you the FIRST statement on which the problem or error appeared.

- 1. Tell us your name and account number.
- 2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- 3. Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will tell you the results of our investigation within ten (10) business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 business days* to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10) business days* for the amount you think is in error, so that you have use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within the (10) business days, we may not credit your account.

If we decide that there was no error, we will send you a written explanation within three business days after we finish our investigation. You may ask for copies of the documents that we used in our investigations.

* If you give notice of an error within 30 days after you make your first deposit to your account, we will have 20 business days instead of 10 business days to credit your account.

** If you give notice of an error within 30 days after you make the first deposit to your account involving a point of sale transaction, or notice of error involving a transaction initiated outside the United States, its possessions and territories, we will have 90 days instead of 45 days to perform our investigation.
