## DANA RILEY Horseshoe Bend School

"I believe Mrs. Railey goes above and beyond to teach her students the skills they need to be successful now, and in the future. She has taught for 27 years and still gets up each day and dedicates her time to her students with excitement, passion, and enthusiasm. She has always said she has known she wanted to be a teacher since she was a young girl, and I quote her saying, 'It's who I am.' She has a kind and loving demeanor that shines each day!"

WENDY  
RILEY

Wendy has stepped up big the last couple months. When we did our St. Patrick's Day event at Moody Elementary School, she took charge and made it a great experience for the kids. She's gotten really creative with our marketing, here, for Car Sale this month and our Kids' Club event last month. She's also already working on Creekbank Festival ideas. Your hard work doesn't go unnoticed, Wendy. Thanks for all you do!!

Since transferring from our 280 branch to our Alex City branch, Lora has become such an asset to our team. She goes above and beyond her MSR duties. Recently, we have been short staffed in Alex City, and Lora has picked right up with helping where needed. She has worked several days on the Teller line making sure things ran smoothly. Any time she's asked to help in different areas, she gets it done without question or complaint. Thank you, Lora, for all your hard work and dedication to HSCU! Keep up the good work.
