## Want more from your checking account?

*We thought so!*

Our Premium Rewards Checking account is a **high yield** checking account that features no minimum balance, no maintenance fees, and no penalties...

*All you have to do is use your account!*

Each month, if you've used your checking account and services, you'll receive 4.00% APY on your balance up to \$15,000 and 0.50% APY on balances over \$15,000.

Here is how you can earn Premium Rewards, starting **this month**:

- Have at least 12 VISA debit card transactions clear for the month
- At least one ACH automatic payment or deposit, like your payroll
- Sign Up for eStatements and eNotices
- Access Online Banking at least once each month

Most of you are probably already qualified to get your rewards, you just need to come by the credit union to have your Premium Rewards turned on! It's Easy!

## Away from home and need access to your account? Find a credit union service center.

## Have you looked at.... our eStatements and eNotices??

**eStatements** give you faster access to your monthly statement, without the wait!

- **More Secure:** no chance of post office or mailbox interception
- **Faster Access:** no longer have to wait on your statement to arrive. eStatements are usually available within the first day or two of the month.
- **No need to print and store:** your eStatements are stored online and accessible at any time

Sign Up for both of these services by going to our website, click **View eStatements**, then follow the instructions.

**eNotices** are a great way to receive important notices about your account, like nonsufficient funds, safebox renewals, and certificate renewals, via email or text message on your phone.
