# Sincerely

Hello Everyone,

As most of you know, June 17th, 2016, marked the last day of my remarkable Credit Union career. Reaching the decision to retire was difficult; however, it slowly became clear to me that this time was simply right for me.

In the immediate future, I will be focusing on enjoying my family, involving myself in the construction of my new home in Hartford, Alabama, and looking forward to whatever is in store for me in my life's next chapter.

To my Sylacauga, Alabama credit union members and friends: Thank you for welcoming me to your community over twenty years ago. I have grown to love and respect the community and its people. I wish continued growth and prosperity for all.

To all of the wonderful people whom I have had the opportunity to work with - Thank You. We have certainly seen change; growing from seven employees in 1995 to over forty plus today. Your care for our members and always putting them first is what sets Heritage South Credit Union above all others. I am proud to call each and every one of you my friend.

To the membership: Thank you for your continued support through many industry changes over the years. Your support has provided the foundation to grow Heritage South Credit Union from a single sponsor to a thriving community chartered credit union serving over 10,000 members with \$115 million assets.

To all: The time shared, friendships forged, and all the incredible successes which we have enjoyed have been an extraordinary part of my life. I am very proud of what we have achieved!

Take care.
